Leave a Little Behind

*When you are given a warm, inviting smile,
Leave a little behind before you walk another mile.*

*When you are given a friendly, encouraging lift up,
Leave a little behind to fill up another's cup.*

*When you are given an enthusiastic, "You can do it, now go!"
Leave a little behind; knowing you reap what you sow.*

*When you are given gifts of kind words, action and praise,
Leave a little behind to pass along hope and spirits to raise.*

*When you are given a helping, generous hand,
Leave a little behind like footprints in the sand.*

*Choose to make a difference in all that you do,
Remember it's simple...it's all up to you.*
